**SPONSORSHIP ADDENDUM**

Due to requests by some members, a schedule has been created so that those who choose can plan their annual budget in advance and pay their levels of sponsorships at the beginning of the year instead of throughout the year. **By sending in your sponsorship/underwriter levels with your membership dues, you will not be contacted again during the year for this much needed support of the sponsored community event(s).**

If you as a business, non-profit or individual would like to plan ahead and activate your Chamber sponsorship or underwriter levels for 2019, a schedule is attached for your review and completion.

We work throughout the year to bring value to you as a Chamber member as well as to the Community overall and to contribute to the continued economic growth of the Greater Comfort Area. We look forward to supporting you and all of our Chamber Members throughout the 2019 calendar year and beyond. Thank you for your continued support.
